

**“A once in a lifetime opportunity”**

**7th June 2018**

Stoke Park School was delighted to be chosen to host members of the BBC Concert Orchestra to create The Coventry Family Orchestra and Chorus which was opened to all ages, instruments, abilities, as well as singers.

It was a chance for families to make music together, joining members of the BBC Concert Orchestra in a series of fun, family-friendly workshops.

Families had the opportunity to work with members of the BBC Concert Orchestra to create a brand new piece of music which was recorded and showcased at The Biggest Weekend Event in War Memorial Park on Monday 28<sup>th</sup> May.

**In this newsletter we want to celebrate....**

**The Year 2 level 2 employability group**

Who have all passed the course.

100% success rate.

Well done!

## House Updates

## Meeting the Lord Mayor

**Bowls competition results:**

Eagle	120
Phoenix	70
Griffin	60
Lynx	50

Despite the best efforts of some very talented Griffin pupils, Eagle House pull further ahead in the bowls competition on this lovely sunny day.

Next week, in forms we have the 'Spot the Ball' competition - a chance for everyone to take part and chase for the overall title this year.

*Harry Kennedy, Rajpal Kaur, Prince Dadson and Sarmeja Kiruparmoorthy meet the Lord Mayor*

This year, some of our year 10 students have taken part in the Mentoring Volunteer Project, which has involved them working with younger pupils in tutorial sessions and delivering ideas and materials.

The most successful were invited along to the Council House for a question and answer session with the Lord Mayor, but first they were treated to a guided tour of our Council House and tea and cakes.

Dayah Sagoo was also invited on this experience, but she had a Music exam on the day so was unable to go.

Mrs Ogden, who accompanied our students commented on how courteous and confident they were in conversation with The Lord Mayor. She said, "They were a joy to be with. I was proud of them."
