

Uniform – Guidance on trousers

All students are required to wear school uniform. Parents and carers are asked to support students to help them look smart and uphold the dress code.

Parents and carers should be aware that items labelled 'schoolwear' by shops may not be acceptable under Stoke Park's uniform policy. The following uniform guidance is intended to support in choosing school wear. The images below provide examples of the types of items that are acceptable.

Trousers	Black trousers, school style. No black jeans, leggings, jeggings, or skinny trousers are allowed. Trousers must be plain, without any decoration.
