Dear Parents and Carers

Re: Coronavirus (COVID-19) Update – School Closure

Today, 19th March 2020, we have been asked by the Department for Education and Government to close the school as of 3:00pm on Friday 20th March 2020 as part of the Government's delay phase of their action plan.

For some weeks now we have been planning for such an eventuality. During the closure period we will continue to do our best to support students to the best of our ability. Below I highlight some key points for your attention.

1. During a closure period we will use our website as our main way of communication with you (www.stokepark.coventry.sch.uk refer to the Coronavirus item on the Home Page). Please check for regular updates.
2. On the Website home page we have posted a series of Frequently Asked Questions (FAQs) and answers which we hope will be helpful. I request that should you have a query, you check the FAQ section before trying to contact the school by email. The FAQ section will be updated regularly.
3. Should you feel that your query cannot be dealt with by the FAQs, please email the school on info@stokepark.coventry.sch.uk. The school will respond to you as soon as possible.

Please rest assured that we will keep you updated of the situation and should it change in any way, we will contact you.

Yours sincerely

Miss N Rock
Headteacher
