2. Our School Ethos and aims

All staff and volunteers who carry out work or activities for the School are expected to uphold and actively promote our School Ethos and Aims.

At Stoke Park School everything we do is focused on Building Brighter Futures for our students, our staff and our Community. Our decision-making and actions focus upon 3 clear values:

- 1. Learners First** – young people, staff, leaders, governors and trustees totally focused upon the educational benefit of our pupils and students within a safe and supportive environment
- 2. It's About Learning** – young people, staff, leaders, governors and trustees totally focused upon developing and improving the learning of pupils and students underpinned by harmonious and trusting relationships
- 3. No Barriers** – no excuses, only support to ensure young people, staff, leaders, governors and trustees maximise the academic achievement of pupils and students whilst enabling them to develop and flourish as well rounded individuals

Our School's ethos, 'Believe you can achieve at Stoke Park', and the eight School values play an important role in everyday life. We instill in our students the importance of creating a learning environment that supports all and we have a relentless focus on high standards. We work as a team and we aim to bring out the best in everyone.

We are a values-led school that has a strong sense of purpose in delivering an inclusive education for students in our community. We promote a growth-mindset and believe that all our students can succeed given appropriate support, self-belief and challenge.

The values that we as a staff want to instil in our students are:

Resilience,
Excellence,
Self-belief,
Pride,
Enjoyment,
Care and
Tolerance.

The overarching value being RESPECT and our strap line 'Believe you can achieve at Stoke Park' sums up the self-belief and positive can-do attitude we want the students to display.

We are on a journey to becoming an outstanding school and we are committed to improving our outcomes rapidly. We believe there are no short cuts, no excuses and no limits for outstanding learning and outstanding achievement. Our students deserve the very best and we are aiming to instil high aspirations in them and all staff have complete belief in them.

We are fully committed to delivering a broad and balanced curriculum offering academic and vocational experiences matched with outstanding pastoral care; we know how important it is that a young person feels safe and happy and it is through creating the correct environment that high quality learning can take place.

We value our students as individuals and are focused on developing within them a strong moral purpose. Academic success is often the key to unlocking future opportunity for our students and we work hard to ensure that we deliver high quality learning experiences.

Our aim is to provide an excellent education for all the students at Stoke Park.
