

Year 11 completed a successful week of mock exams on Friday 21st. Head of Year Mr Salisbury and Head of Key Stage 4 Ms Smith offer their congratulations. Student behaviour was excellent, and this gave everyone in year 11 a valuable experience of what the exams in the Summer will be like.

Most importantly, the results will allow pupils to understand their strengths and weaknesses in each subject and allow teachers to target intervention. The months ahead will be hard work, but each pupil now has success in their own hands.

For prospective parents and pupils, Open Evening shows the school off and showcases what we can offer. However, the final product is the result of a great deal of hard work from staff and pupils who show their commitment to the school on that evening. Thanks to them for their time and energy.
